Paul Everett, Box 4430, St. Paul, Mn 55104 is very much involved in the Radio Talking Book, a closed circuit Reading network for the visual handicapped in Minnesota and North and South Dakota. Most states have a closed circuit Radio Reading Service. For the most part it consists of current articles and information read over the air. The receiver and signal is not available to the general public. Paul has played some OTR shows during the summer of 1982-very well received. If you are interested in finding out about the service in your area send me a SASE.
